# Territory Management

SELF-SUFFICIENCY = DEVELOPMENT

how it is

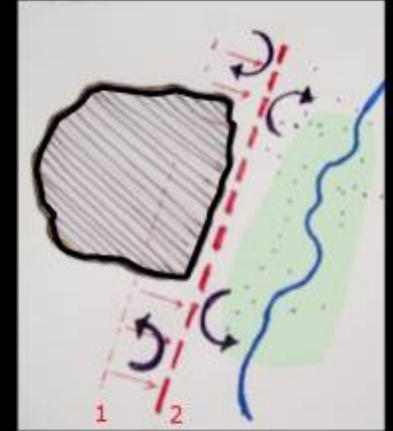

TODAY

DESTROYING URBAN DEVELOPMENT

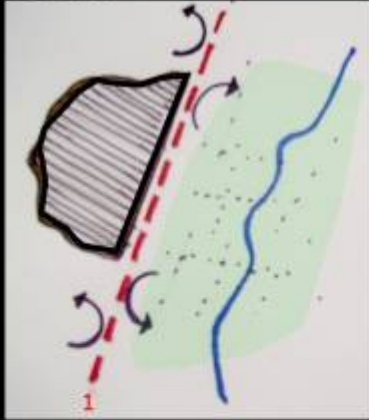

breaks between urban and territory

TOMORROW

how it  
could be

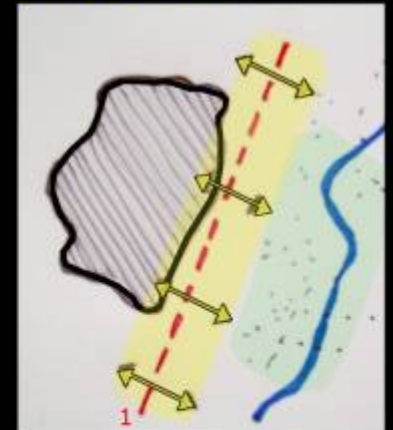

TODAY

ORGANIC URBAN DEVELOPMENT

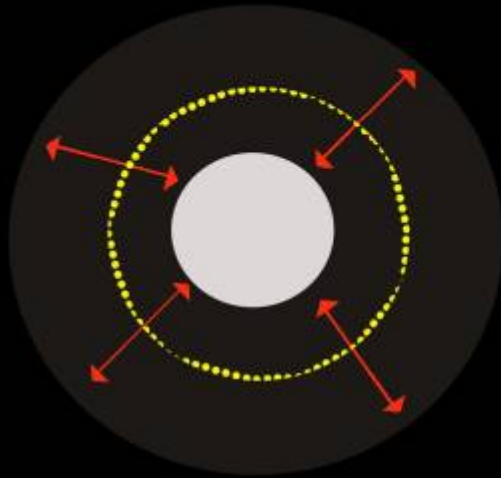

relationships between urban and territory

TOMORROW

# ECOTONO

distingue 2 zones verdes \_ distingue 2 zone verdi \_ distingo 2 zones verdes

*ecotono* is a metaphor for a new organic model of development in which the territory provides recourses for a sustainable city
